Keep Away Game
Tone set: (d) r m f s l  d'

Game:
Standing circle: Students pass the ball around the circle. Whoever has the ball at the end of the song must sit down. The students keep passing the ball, throwing it to the nearest person. If the ball hits the ground the seated students may steal the ball and at the end of the song may throw it to someone still standing and get them out. Game continues until all students are seated.
